For information, please contact Sharon Anderson at sanderso@fit.edu. The School of Extended Graduate Studies offers M.S. degrees in computer information systems, computer science, software engineering, space systems and space systems management. Please contact Kim Simmons at ksimmons@fit.edu or Claire

KSC employees invited to help plan 2004 EEAW events

Maliszewski at cmalisze@fit.edu for information. Applications are being accepted for the summer semester, which begins April 26 for the School of Extended Graduate Studies and the week of May 10 for the School of Management. Evening classes are held at KSC and Patrick AFB. The office is located in the KSC Industrial Area, at B Avenue and 2nd Street, Bldg. TRM-032, Room 110. For information on all degrees, call 453-2030. Florida Tech is rated one of "America's Best National Universities" by *U.S. News & World Report*.

◆ More recycling guidelines – Toner Cartridges: Place all printer/copier cartridges in green bins located in hallways of all major facilities. Please do not place ANY Lanier copier cartridges in these containers. Leave them adjacent to the copy machines for pickup by the Lanier representatives.

Other items: Please contact the Property Disposal Office at 867-7027 or the Environmental Program Branch at 867-8454 for proper disposal of recyclable items such as aluminum, antifreeze, batteries, carpet, copper, fluorescent lamps, glass, lead, lumber, oil filters, plastics, scrap metals, solvents, tires, toner cartridges and yard waste.

◆ NASA Science News – What does space travel do to our genes? That's the question researchers hope to answer, in part, by sending fruit flies to the International Space Station. To read the full story, go to the Web site http://science.nasa.gov/headlines/y2004/03feb_fruitfly.htm

◆ Did You Know? Feb. 6, 13 and 27 are BEST Fridays in KSC Cafeterias. Wear BEST or KSC logo shirts and try Lackmann's African-American entrees.
